## What i did

### ● School ;)

2013 - 2022

I did well in school. There, my teachers taught me computer science. And I was also taught elementary programming. I love my Teachers in my school

### ● Najot Ta'lim

2021 2022

I studied (or am taking) at the most prestigious Salvation Education Center in Uzbekistan to learn programming. I learned frontend programming and backend programming here. My teachers continued to give me the best and new knowledge. I made a few more familiar friends here
